Summary

Junior studying Computer Science at Kean University, where I am immersing myself in the dynamic realm of code and innovation. My enthusiasm for the potential of technology motivates me to actively engage with and contribute to the ever-evolving field of computer science. Currently, I am honing my expertise in programming, problem-solving, and software development through coursework and hands-on projects.

Education

Kean University | Elizabeth, NJ
Bachelor of Science - BS, Computer Science | 05/2025

Experience

Rio Wholesale & Distribution | NJ, Elizabeth
IT Support and Wholesale Coordinator | 09/2022 - Present

- Applied inventory management software to vigilantly monitor and uphold precise stock levels.
- Deployed barcode scanning technology to ensure meticulous tracking of inventory movements and shipments.
- Orchestrated sorting and packing procedures, ensuring the precision and integrity of wholesale shipments to elevate customer satisfaction.
- Proficiently addressed technical issues pertaining to inventory management systems and computer hardware, ensuring seamless software operation

Saker ShopRites Inc. | NJ, Woodbridge
Front End Operations Clerk | 05/2022 - 01/2023

- Demonstrated precision in managing customer transactions, overseeing payments, and fostering a positive checkout experience.
- Engaged proactively in daily store operations, encompassing inventory management, shelf restocking, and the cultivation of a welcoming in-store ambiance.
- Offered valuable support in the garden section, actively participating in the organization and maintenance of the outdoor area.
- Played a key role in enhancing the overall visual allure of the store by meticulously adjusting the entrance and exterior appearance, ensuring an inviting and well-maintained facade.

Tillys | NJ, Woodbridge
Retail Sales Associate | 04/2021 - 09/2021

- Successfully boosted sales through effective communication of product features and benefits, resulting in a consistently high conversion rate.
- Managed cashier duties with precision, ensuring accurate transactions and facilitating a seamless checkout process for customers.
- Directed stock management initiatives, encompassing shelf restocking and collaborative efforts with the team to uphold an organized and well-stocked retail environment.

Projects

Acetlinx | NJ
Associate Director | 06/2017 - Present

- Active participant in Acetlinks since 2017, an initiative determined to produce free courses/resources that some students may not be able to access. Areas of interest include computer science and STEM-related subjects. Contributed to educational program development and community outreach, and determined to create a more inclusive future in STEM.
